About JEMS

(**JEMS**) M/s: **J**upiter **E**quipments **M**anufacturer & **S**upplier Pvt Ltd, founded over 32 years ago, has achieved a leadership position in various industries.

JEMS is a unique experienced solution provider for industry needs and especially solar & wind energy, energy audit, power saving automation, industrial machinery, equipments supply, professional engineering & technical service support, technical trading contracting expertise since 1988 in India and Arab Gulf Countries.

Our Vision

JEMS vision is to become and remain first in mind first in choice with our customers/clients as a reliable supplier and professional engineering & technical service support provider for various industries.

Our Mission

JEMS mission is to be the most efficient & leading integrated industrial sales & service support provider of various industries in middle east arab gulf countries and around.

JEMS Prime Services

JEMS's respective specialist divisions over the years carried out supply of various kinds of industrial and commercial equipments machinery including technical service supports, solutions such as feasibility studies, design, value engineering services, pre-engineered services, renovation and refurbishment, engineering plant.

Expertise Industry

- Materials Handling Industry
- Power & Water Industry
- Construction Industry
- Manufacturing Industry
- Automotive Industry
- Automation Industry
- Aviation Industry
- Education Industry
- Health Industry
- Thermal Industry
- Transportation Industry

Industry Includes

- Oil-Gas & Petrochemical Industry
- Production & Process Industry
- Wood-Works & Machinery Industry
- Safety & Security Industry
- Printing & Publishing Industry
- Telecommunication Industry
- Tourism & Environmental Industry
- Waste Recycling Industry
- Marine & Ship Repairs Industry
- Earth Moving Heavy Equipments
- Solar & Wind Industry

① JEMS Providing Engineering & Technical Services & Supplies as Follows

We provide solutions for Governmental and Non-Governmental Organizations plant, factories || equipments || machineries || instrument || solar & wind energy projects & deals.

Industrial & Commercial Machineries Supply || Resource || Manufacture || Installation, Erection || Commissioning || Running || Testing || Certification || Environment Site Survey, Risk Survey || Feasibility Study || Value Engineering || Pre-tender Estimation Services, Project Analysis || Project Proposals || Pre Engineering Services || Innovative Solutions, Project Investment Resources || Project Bank Through Finance Arrangements, Research and Custom Design Product Development || Technology Resources.

② JEMS Various Professional Services as Follows

Fault Diagnosis || Troubleshoots || Repairs || Maintenance || PLC/CNC Machineries Retrofits, Rectification of Electrical || Mechanical || Hydraulic || Pneumatic || Vibratory || Heatup Problems, Inspection || Evaluation || Revaluation || Condition Monitoring || Certification || Asset Valuation, Upgradation || Modification || Technology Integration || Recondition || Overhauling || All Tests. 12/7 & 24/7 Periodical || Preventive || Predictive || Corrective || Comprehensive || Breakdown, Terms Contracts and Annual Maintenance Contracts undertaken.

③ JEMS In Custom Designed & Automation Products Supply and Services

Software & Hardware Supply || Installation || Upgrades & Updates for all kind of machines, NC-PLC-CNC Controllers Conversion || Programming || Simulation & Positioning of Machine, I/O Control Modules || Industrial PC-HMI-SCADA Screens || Data Acquisition || VSD/VFD/ VVFD || AC/DC Servo Drives || Angles || Axis || Limits || Weights || Air || Pressure Re-Calibration, Engineering & Technical Consultancy Services || Industrial Plants & Factory Automations, Hazard Analysis & Risk Assesment (Thermal || Fire || Gas) Labeling || Restoration.

④ JEMS In Performance Test, Analytical Test and Instrumentation Services

Calibration || Instrumentation || Load Test || Pressure Test || Flow Test || Vibration Test Conduct, Conductivity Test || Thermal Test || Induction Test || Radiation Test || Power loss & Leak Tests, Thermal Image Test || Heat & Cool Insulation Test || Friction Test || Refractory Quality Tests, Motion Control Performance Test || All Cranes Load Moment Limiter & Controller Supply, Safety-Security || CCTV-DVR-NVR Surveillance Wired & Wireless Systems || Acces Controls, Waste Mitigation || Recycling Management System Software-Hardware Solutions.

⑤ JEMS In Renewable Energy & Projects

Solar & Wind Energy Intelligent Sun Track High Efficiency Power Production Systems, Solar On Grid & Hybrid Systems || Project Land & Site Survey to Erection Commissioning, Custom Design Innovative Solar & Wind Energy Equipments Device Manufacture || Supply, Energy Audits & Survey || HVAC & BMS Building Power Saving Controller Automations, Power Factor Correction Controls || Building Heat & Cool Insulation Solutions, Intelligent Innovative Industrial & Manpower Management Solutions Provides.
